Clarifications and Responses

Project Title: National School Meals Programme

MOE-2026-27-02

Date: 17th November 2026

The following clarification request regarding the RFQ:

ITEM	Clarification	Response
1	Having reviewed the Tender referenced MOE-2026-27-02. It was noted the Tender is divided into four Lots as highlighted below: - The services are divided into four (4) distinct Lots: • Lot 1: Primary School Lunch (Zone A) • Lot 2: Primary School Lunch (Zone B) • Lot 3: Secondary School Breakfast • Lot 4: Secondary School Lunch However, it is not evident from the document which Primary School is Zone A and which is Zone B. So if a bidder has an interest in tendering for either Brades or Lookout Primary it is unclear whether they should tender for Lot 1 or lot 2. Grateful for any clarification provided.	Lot 1: Primary School Lunch (Zone A) refers to Brades Primary and Lot 2: Primary School Lunch (Zone B) refers to Lookout Primary.
