2. Technical suitability of the vehicle offered to meet the operational needs of the Ministry of Health and Social Services; including after-sale technical support;

3. Delivery Time;

4. Price, taking into consideration value for money.

The following evaluation criteria will be used to evaluate Bids received in response to this ITT. Bidders must achieve a minimum of 65% of the technical score to be considered for award of contract.

The Government of Montserrat reserves the right to reject any quotation that is incomplete, non-compliant or fails to meet the required specifications. The contract shall be awarded to the supplier whose quotation represents the best overall value to the Government of Montserrat, having regard to the criteria stated below.

EVALUATION CRITERIA	WEIGHTED SCORE %

Warranty & Inclusiveness info. – six (6) months minimum	PASS/FAIL
The technical and cost criteria will be evaluated over a total of 100 %. Bidders are required to achieve at least a minimum of 65% of the technical score to qualify for consideration for contract award.	
Technical Assessment	
Technical Support	15%
Delivery Time	15%
Technical Specifications	30%
Financial Assessment	
Cost Proposal	40%
TOTAL	**100%**

6.1 Administrative Compliance (PASS/FAIL)

To be considered responsive, each Bidder must submit all of the items below. This stage is assessed on a PASS/FAIL basis.

A. Required Signed Statements: Bidders must provide the following four (4) statements. Each statement must be dated and signed by the Bidder's authorised representative:

1. **Pending Litigation**: Confirm whether the Bidder has any pending litigation or legal disputes with the Government of Montserrat.

2. **Convictions / Prohibited Practices / Debarment (Last 3 Years):** Confirm whether the Bidder, or any of its owners/beneficial owners, directors, or officers, has, within the last three (3) years been convicted of an offence relating to professional conduct or a prohibited practice; or been debarred from pparticipating in public procurement in Montserrat

3. **Ownership and Control Information:** Provide a list of a) shareholders (identifying any person/entity holding 25% or more); b) directors; and c) the Bidder's ultimate beneficial owner(s) (UBOs).

4. **Solvency Status:** Confirm that the Bidder is not subject to insolvency, receivership, bankruptcy, winding-up, suspension, or administration under any Act, court order, or direction of a judicial officer in Montserrat or in the Bidder's place of tax residency.

This is a PASS/FAIL criterion. If all the above requirements are fulfilled, then the bidder would move onto the next stage of the evaluation. If any of the above-mentioned items are not submitted, then the Quotation would be deemed non-compliant and rejected.

6.2 Warranty & Inclusiveness - PASS/FAIL

Bidders shall provide in their Quotation a minimum of **six** (**6**) months valid warranty for the Twin Cab Pickup Truck. 6.4 Delivery Time (15%)

A higher than normal weighting has been given to delivery schedule, so that preference can be given to those suppliers that can have the items in Montserrat at the earliest time. The percentage for this criterion will be calculated proportionately to similar submissions from other Quotations.

6.5 Technical Specifications (30%)

Adherence to technical specification is paramount. However, consideration will be given to effectiveness and robustness, users ease in operations and enhanced safety features. Marks will be awarded depending on the degree of compliance with the technical specifications as compared with the other Quotations.

Bidders must complete the Form of Proposal and return them with their RFQ submission. The Bid price is a significant factor and the Government of Montserrat will seek to ensure that the services are undertaken at the most economically advantageous price. However, there are other factors which comprise the criterion and these will be considered proportionately. The Government of Montserrat is not bound to accept the lowest or any bid. The percentage for this criterion will be calculated proportionately in comparison to other price submissions from Bids. Bidders must submit all the documents requested in the RFQ document. The RFQ checklist provides a list of requirements which need to be fulfilled.
