11th April, 2023

ADDENDUM no. 4: Request for Proposal (RFP) - The Economic Development of Montserrat's Existing Geothermal Wells

Potential Bidders are kindly asked to provide the following responses to the queries below, no later than Monday 17th April, 2023 at 10:00 am (Eastern Caribbean Time or 1500hrs UK time):

1. Will you be submitting a firm compliant bid by the current deadline of May 10th, 2023, which will include a firm tariff?
2. Do you have all the information required including on Well performance to submit your bid including a firm tariff and a proposed capacity?
3. Would your bid include a minimum capacity of 1.2MW?
4. Your bid will include all your comments on the form of the sample PPA previously circulated (if not already provided)
5. If you are unable to give any of these confirmations, please explain why?

Kindly provide this information via email to thomasa@gov.ms and copied to fentonn@gov.ms at the specified date and time stated above.

All further enquiries regarding this RFP should be sent to the Senior Procurement Officer, Mrs. Anne Thomas at thomasa@gov.ms and copied to the Procurement Officer I at fentonn@gov.ms
