Upcoming Tendering Opportunity

Prior Information Notice (PIN) and General Procurement Notice (GPN) for Montserrat Port Development Project – Phase 1 (Little Bay, Montserrat)

The Government of Montserrat will soon be seeking proposals from suitably experienced Bidders for the Design and Construction of Phase 1 of the Montserrat Port Development Project.

The new port with a total investment of £21.4 million (EC\$ 76.5 million) will be able to accommodate larger cruise ships than those currently accommodated and it is expected that the number of cruise passengers will increase. The project has been made possible through grant funding of £14.4 million from the United Kingdom Department for International Development (DFID) under UKCIF. The Fund is administered by CDB. The Government of Montserrat is providing £7 million in counterpart resources with financial support from the European Union.

Specifically, the works require the Contractor to Design and Construct the following:

- 1) Causeway access road
- 2) Expand and deepen the port entrance and ship basin that will provide for a minimum water depth of –8.0 m Chart Datum
- 3) Construction of a new pier 130m in length and 20m in width
- 4) Construction of a 25m wide Roll On Roll Off Ramp (adjacent to the new pier)
- 5) Construction of a breakwater and revetment coastal protection systems
- 6) Slope stabilization

We are planning to publish the Request for Proposal in January 2020 and conclude the procurement by end July 2020.

The project is to be implemented using a Design and Build approach. The Ministry of Communications Works Energy and Labour, Programme Management Office (PMO) and specialist Engineering and Construction Supervision Services, provided by Stantec International Consultants will oversee and support the delivery of this project.

The Procurement process will be conducted by Government of Montserrat, Ministry of Finance and Economic Management, Head of Procurement MS Harjinder Jutle who can be contacted via email on Jutleh@gov.ms
